Northbridge Bank - Fraud Review Procedure

Document FRP-02. Owner: Fraud Operations. Applies to transactions flagged under the Card Spending Policy (CSP-04).

1. Timelines

Every flagged transaction must be reviewed within 48 hours. Transactions above 1,500 CAD must be reviewed within 24 hours.

2. Review steps

Step 1: confirm the amount, date and merchant category against the source record. Step 2: check the customer's transactions in the previous 30 days. Step 3: if three or more transactions of the same customer are flagged in one month, escalate to a senior analyst.

3. Customer contact

Customers may only be contacted through channels registered on their account. Analysts must not ask for passwords or full card numbers.

4. Data handling

Customer identifiers, amounts and transaction details must never be entered into external websites, search engines or third-party tools. Analysis is done only on approved internal systems.

Review notes are kept for seven years for audit purposes.
